OFF THE BEATEN CUFF

—Mrs. G. W. H. and I were "living-it-up" Tuesday night. We spent the evening on our toes. More truthfully, one might say I spent the evening on her toes.

We both had a grand time "tripping" the light fantastic during the annual Dixon Policeman's ball at the armory, featuring Dick Carlton and his orchestra.

Needless to say, since the advent of our 14-month-old son, most of our dancing has been around him. It was unusual to move to the tune of soft music when used to jumping to a strong pair of young lungs.

* * *

NOT THAT I'M a Fred Astaire, but I must comment I managed a few "stunning" steps. The question is, who was more stunned, my wife or the rest of the floor?

When we first got up to dance, I felt as if someone shoved a broomstick up my pants leg. Mrs. G.W.H. sensed this, telling me to relax.

"You're fighting me dear," I replied. "If it's all the same to you, I'll lead."

"You've got to be forceful," she said. "A girl needs at least some indication of what's on her partner's mind when dancing."

For some, that could be disastrous, I thought, wondering about a set of signals upon which I might convey my next mad whirl.

It was rather disconcerting to note when we were ready to call it a night, my bride had a kink in her left knee and a sore right arm.

* * *

BUT DANCING is only a segment of the enjoyment one can have at a ball. A most interesting feature is observing couples in the art of terpsichore . . . man, dig that crazy word!

Some techniques are educational. Others are hilarious.

There's the sophisticated type. The male, in this category, has been on a dance floor before . . . and he let's one know it.

He holds his partner as if she was a cloud of misty vapor. His right hand is "just so" in the small of her back. His left is poised, simulating the firing of a .45 caliber automatic.

* * *

AND THEN there's the couple who dance three feet apart while their heads are glued together. Here we usually find the female twisted in a rather unusual contortion. Her back looks as if three vertebra had snapped. If one poured water down her spine, it would never reach the floor.

* * *

QUITE INTERESTING is the snappy male who moves his legs so rapidly his partner is often three steps behind. Here is a case where the onlooker becomes confused, not knowing whether he's dancing or shaking something off his shoes.

However, there are always a few couples who really know a thing or two about dancing. You can spot them easily. When the band plays a rhumba, they rhumba; a foxtrot, they foxtrot. The rest . . . just dance.

In any event, an evening at the policeman's ball is an evening well spent; good crowd, fine music, lot's of fun.

Dixon Students Lead 'Back to Books' Drive

—Telegraph Photo

WITH THE ADVENT of modern time-consuming media such as radio, motion pictures, and television, one of the most important elements of education and enjoyment has suffered, namely, reading. Today, the nation's youth prefer to turn dials rather than leaf through the pages of a good book. Many contend this passive form of time expenditure is detrimental when it invades the realm of good literature, the foundation of alert and active minds. An attempt is being made in Dixon to divert youthful attention to more active pastimes, to revive an interest in reading. The Jefferson school is a leader in the movement. Toward that end a group of 27 persons from Jefferson school, including six teachers and 11 students, under the supervision of Edith Scholl, school principal, today journeyed to Chicago. They are attending the "Miracle of Books Fair," where some 2,600 books will be on display in the museum of science and industry. There they will meet both authors and illustrators. Pictured above are four of the students making the overnight trip. They are (left to right) Marilyn Huyett, Carol Chandler, Helen Twitty and Judy Stewart. Other students include Carol Huyett, Lillian Petty, Sandra Dodd and Janet Butterfield. Teachers accompanying the group include Jean Hennis, Grace Jacobs, Mary Jane Boynton, Audrey Bennett, Rita Keithley and Edith Scholl. The trip also serves to celebrate Book Week, Nov. 15-21.

Meek, Expected to Make Senate Race, to Speak Here

Joe Meek, president of the Illinois Federation of Retail associations, Chicago, and probable Republican candidate for U. S. senator, will be the featured speaker Monday at the annual meeting of the Retail Merchants division of the Dixon chamber of commerce.

The dinner meeting is scheduled for 6:30 p.m. in the Elk's club. Turkey will be served at $2 a plate. Tickets may be obtained at the chamber of commerce office or at the door.

It is expected Meek will announce his candidacy for U. S. senator sometime prior to his Monday appearance before the gathering of local businessmen.

According to Miss Frances Patrick, secretary of the chamber of commerce, an announcement of the voting results in current balloting on store hours for 1954, will be made.

The session may prove extremely important in view of current efforts of the chamber of commerce board of directors to revitalize the organization with a view to further progress in Dixon.

Meek was born Jan. 5, 1904, in Indianola, Ia., of Scotch-Irish parents. He attended grade and high school in his home town, entering Simpson college in Indianola. He was graduated in 1924.

In 1926, he arrived in Chicago with a year's experience teaching economics and coaching football.

Meek became secretary of the Illinois Federation of Retail associations, building it from an infant organization to one now serving more than 40,000 retail merchants throughout the state.

He is married and the father of three children. Meek is a member of the First Congregational church, Western Springs, Ill.

FBI Arrests Ex-Convict for Holdup of Illinois Bank

MATTOON, Ill. (AP)—Quick work by the FBI Thursday resulted in the arrest of an ex-convict less than four hours after the Ridge Farm (Ill.) State bank was robbed of $3,244.

Richard N. Hosteny, agent in charge of the FBI office at Springfield, Ill., announced the man is Alfred McCollum, 30, who was charged with bank robbery.

McCollum was seized at his home about 4:30 p.m. (CST) Thursday after he was traced through license plates witnesses reported seeing on the car in which the gunman fled.

Hosteny said two witnesses identified McCollum, who was arraigned immediately before U. S. Commissioner Alonzo Church and held on $20,000 bond. The agent said McCollum was sentenced to the state prison at Menard in 1948 for one to five years for robbery.

The gunman entered the bank at Ridge Farm, about 20 miles south of Danville, about 1:15 p.m. (CST) Thursday, thrust a pistol at assistant cashier Miss Betty Mason and demanded the cash.

The robber kept a customer and two accountants who were conducting an audit at bay while Miss Mason handed over three trays of bills and some silver.

As he fled the bank, the robber almost knocked over Walter Humrichouse, entering to make a deposit. Humrichouse obtained the license number of the robber's automobile as he drove off.

It was the second time in nearly three months the bank had been robbed. On Aug. 25 a robber got away with $5,063. No arrests have been made in that case and the money has not been recovered.

Hosteny said the $3,244 taken in the robbery has not been recovered and agents are searching for it.

McCollum, arrested in his Mattoon home, denied being involved in the robbery, he added.

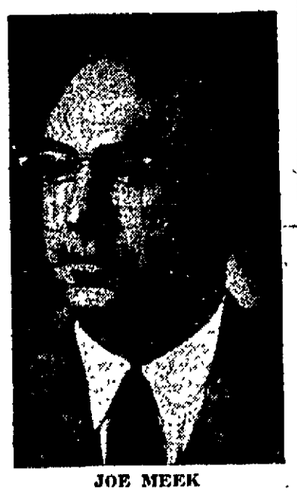

Asked whether McCollum is being questioned in the Aug. 25 robbery also, Hosteny declined to comment.

One-Fourth of State Convicts 'Guinea Pigs'

ST. LOUIS (AP)— The warden of the Illinois state penitentiary says about one-fourth of the prisoners at the institution are serving as "human guinea pigs" for medical research.

Joeph E. Ragen, in a speech before a civic club here Thursday, said about 1,000 prisoners are taking part in the tests on diseases of the blood and heart.

Ragen said the army medical department, the federal public health service, the University of Illinois and Chicago hospitals are conducting the tests.

Michigan State Retains Title in Cross-Country

CHICAGO (AP)— Rich Ferguson of Iowa, wearing No. 13 on Friday the 13th, easily retained his individual title and Michigan State won its third straight team crown in the Big Ten cross country meet today.

Ferguson was clocked in 19:43.2 for the 4-mile course at Washington Park as he finished some 300 yards ahead of Indiana's Francis Zellers. Third was John Cook of Michigan State, with John Ross of Michigan fourth and Tom Monfore of Wisconsin fifth.

Michigan State runners finished third, sixth, seventh, 11th and 18th for 39 points. Next with 43 points was Indiana, followed by Wisconsin, 63, and Michigan, 68. Iowa, Ohio State and Minnesota had incomplete teams and thus did not figure in the scoring.

Testing Fate

CHICAGO (AP)—Twins Ralph and Adolph Kuhn don't think Friday the 13th is unlucky. Today is their 13th birthday and their parents plan a party for them. They're not superstitious and to prove it for a newspaper photographer they sat under an open umbrella in their home.

Thieves Crack Safe at Oregon; Loot Is $1,500

Garage Job Latest in Theft Series

Thieves Pry Back Door of Lace Firm Located on Rt. 2

OREGON — (Special) — Thieves broke into Lace Chevrolet Sales here during the night and stole $1,500 from the safe after apparently blowing it open.

It was the latest of a series of break-ins reported in the area over a period of about two months.

The thieves pried open the back door to gain access to the building which is located on Rt. 2 at the south edge of Oregon.

Authorities said the safe was either blown or battered open, but they favored the theory that it was opened with explosives.

The loot included $750 in cash and $750 in checks.

The owner and operator, Lloyd Lace, said the theft took place sometime between 8:30 p. m. Thursday and 8 a.m. today.

Sheriff James White and Oregon police are investigating.

Two tavern breakins also were reported today, one in Sandwich, the other in Somonauk.

President Arrives In Canada

OTTAWA, Ont. — (AP) —President Eisenhower arrived in the Canadian capital today for a two-day visit. He will address the Canadian Parliament Saturday.

The President and Mrs. Eisenhower stepped onto a red carpet at Union Station to receive the greetings of Prime Minister Louis St. Laurent — whose visit to Washington last May is being officially repaid.

Gov.-Gen. Vincent Massey, brother of the actor Raymond Massey and Canada's first native-born governor general, also was on hand, along with members of the Canadian Cabinet.

$3 Bill? Sure, Says Treasury

LOUISVILLE, Ky. (AP) — Anything may turn up on Friday the 13th, including a $3 bill. It's genuine.

Such assurances from the Treasury department were welcome news to Wilson K. Beatty. The attorney has a client—not identified—who put up $500 for the bill, then began wondering about its authenticity.

He was told the certificate, about the size of today's greenbacks, was issued on government authority by the Mechanics Bank of Georgetown, D. C., Nov. 26, 1852. Printed only on one side, it has a bald eagle on the face and a symbol of the 13 original states.

Now that Beatty knows the bill isn't counterfeit, he's carrying it clipped to a small poster which asks:

"What's so queer about a three dollar bill?"

VELDE WITH TRUMAN'S LETTER—In his office at Washington, D. C., Rep. Harold H. Velde, chairman of the house un-American activities committee, shows the last page of a letter, with signature, from former President Harry S. Truman, disclosing the latter's refusal to comply with a subpoena before the committee to testify in the Harry Dexter White case.

Duck Season 'Worst,' Says Game Expert

Hunters Concentrate In Illinois Valley; Mild Weather Hurts

HAVANA, Ill. (AP)— Ducks in Illinois flocked today to a season high of 2,221,000 while the waterfowl hunting season got tagged as one of the state's worst.

Frank Bellrose, Illinois Natural History Survey game specialist, made the count and called the season "one of the poorest we ever had." He blamed the mild weather, low water levels and a lack of wind.

About 1,900,000 of the birds, including many mallards, are in the Illinois River Valley. Of these, about 880,000 were congregated below Peoria between Banner and Browning.

The average number of ducks in the past nine years for the Illinois Valley at this time is about 700,000.

The 321,000 count for the Mississippi Valley fell below average by about 150,000.

Bellrose said mild weather lowers the food requirement of ducks and reduces their need for traveling over hunters guns. Similarly, low water prevents the ducks from swimming into wooded areas where decoying and shooting work out better. Winds stir the water and keep ducks from sitting long.

INVOKE PACT

TOKYO (AP) — Japan today invoked the U.S.-Japan security pact in a move to force South Korean "invaders" from Ting Takeshima Island in the Sea of Japan.

400 Attend Ogle Farm Banquet

OREGON — (Special) — About 400 persons attended the annual Farmers and Business Men's banquet of the Ogle County Soil Conservation District in the Coliseum Thursday night.

Speaker of the evening, Dr. George Scarseth, spoke on "The Good Earth and Us." He was introduced by Orvel Cockrel, Mt. Morris.

Dr. Scarseth, who is director of research for the American Farm Bureau Association, stressed the relation of the time required in the formation of soil and the use of it by humans.

He said humans must live together and abide by the laws of nature, or we will wither and die. If the soil is exhausted through improper use, the human race will decline as the soil will decline over a period of time.

In support of his statement that those who use the soil must be governed by the laws of nature to keep the soil at a high productive level, he said areas where soil conservation is practiced are getting along better than areas where it is not.

The program for the banquet included the Dixon barbershop quartet, Ray Cline jr., Norm Wallin, Bob Gallagher and Larry Palmer.

The dinner was served by the ladies of Lighthouse church.

Dixon Resident Unhurt When Car Strikes Tractor

A car-tractor collision Thursday afternoon a mile east of DeKalb involved a Dixon motorist.

According to State Police Officer William O'Connell, who investigated, a car driven by John Batchelder, 60, of 704 E. Second st., collided with a farm tractor operated by Paul Wetterman, Rt. 2, DeKalb

No one was injured. Damage to the Batchelder car amounted to $300 and $50 to the tractor.

The mishap occurred, O'Connell reported, when Batchelder, heading west, attempted to pass the tractor which made a left hand turn, the driver failing to signal.

Homer Senneff Is 'Critical'

Homer E. Senneff, 65, of 705 East Chamberlin st., a partner in the F. X. Newcomer and Company, who suffered a severe stroke early Wednesday morning at his home, was reported in critica. condition today in KSB hospital. Mr. Senneff is one of the trustees of the Loveland estate.

His brother, Earl, Dixon municipal band director, who suffered a similar stroke six weeks ago, is now convalescing at his home, 516 Brinton av.

Velde Committee Stymied; Truman May Air Views

WASHINGTON (AP) — Supreme Court Justice Tom Clark refused today to comply with a subpoena to testify before the house un-American activities committee on the Harry Dexter White case.

Clark offered, however, to give "serious consideration" to any written questions the committee may wish to send him.

In a letter to the committee, Clark based his rejection of the subpoena on the premise that the judiciary branch of the government is independent of the legislative.

Truman Line

This is the same constitutional basis on which former President Truman declined Thursday to honor a committee subpoena. Truman's stand was that the executive branch of the government was not subject to authority of the congressional branch.

Truman hinted today, however, that he may yet speak out on the charge by Atty. Gen. Brownell that he promoted White, a Treasury aide now dead, in 1946, despite an FBI report that White was a Russian spy.

The ex-President told reporters during a morning walk in New York that his refusal to comply with the subpoena doesn't necessarily mean he would remain silent on the controversy.

Truman declined any specific comment on the brief hearings Thursday by the senate internal security committee which questioned his former military aide, Maj. Gen. Harry H. Vaughan, among others.

Doesn't Remember

Vaughan testified that FBI reports intended for the President were customarily handed to him but that he did not remember any report relating to White.

Justice Clark's secretary delivered his letter to Committee Chairman Velde (R-Ill) a few minutes before 9:30 a.m. (CST), the time set in the subpoena for Clark to appear before the house investigators.

Clark wrote that "the independence of the three branches of our government is the cardinal principle on which our constitutional system is founded."

Velde told a newsman "It's a very nice letter, and I appreciated it very much."

Velde called the committee into a closed-door session to consider Clark's letter.

When the Truman-White controversy arose, the committee rushed out subpoenas for Truman, Clark and Gov. James F. Byrnes of South Carolina who was secretary of state in 1946.

Byrnes Declines Too

Byrnes also has declined to honor the subpoena but has agreed to answer questions for a subcommittee if one will come to Columbia, S. C. Velde has said a subcommittee will go to Columbia.

The committee also lost another prospective witness, Jerome Blumauer, foreman of the federal grand jury in New York which considered the White case in 1947, but did not hand down an indictment.

Velde said Thursday that Blumauer would testify today, but Thursday night Blumauer's ap-

Dancing Daughter Must Dance in School; Dad Sues

NORRISTOWN, Pa. (AP)—A father who says he already spent $10,000 on the career of his 11-year-old ballerina daughter is suing to get her excused from school one afternoon a week for dancing lessons.

George Rapine, proud father of dancing Betty Anne, instructed his attorney, Leonard F. Markel, Thursday to sue the school board of nearby Conshohocken.

The board recently ruled that pretty, blue-eyed Betty Anne could no longer be absent from her fifth grade classes at public school to attend dancing lessons in New York Wednesday afternoons.

The youthful ballerina is no ordinary child, her father said. She has appeared on the New York stage and at the Steel Pier in Atlantic City. He said the only time open for her on the New York dancing instructor's schedule is Wednesday afternoon.

This is her third year of dancing instruction. Last year she transferred to the Conshohocken public school.

Since Rapine had already paid her dance tuition, Dr. Robert C. Landis, Montgomery County superintendent of schools, decided she could cut classes Friday afternoon – her dance schedule at that time.

School officials said this year is another matter. Betty Anne has used up the six half holidays permitted under the school code and the board solicitor, Stanley B. Cooper, said the board has no right to grant further absences.

New TB Drugs Shorten Stay In Hospital

NEW YORK (AP) — Potent new anti-tuberculosis drugs can cut in half the hospital stay of many TB patients, with home treatment completing the cure, four Pittsburgh physicians said today.

They told the American Public Health Assn. of 173 men and women sent home early, only seven later had to return to the hospital.

Doctors Merle Bundy, George E. Martin, I. Hope Alexander and Carl C. Kuehn, Pittsburgh Department of Health, said the usual long hospital stay is being reduced 50 per cent. But, they said, this new treatment method needs further study to determine its real value.

Patients visit a clinic each month and careful tabs are kept upon them in their home treatment.

Isoniazid streptomycin and PAS are the drugs used in the hospital and continued at home for one to two years. No bad reactions have been noted from the daily doses of these drugs, Dr. Bundy said.

Christian Church College Conference Set for Sunday

Dean Clarence Noe and Lloyd Emmert, instructors in psychology, both of Eureka college, will speak on problems of choosing a college at a conference at the Dixon Christian church, Sunday.

The conference is open to high school students, parents and others interested in such questions as the purposes of college education, the organization of college curricula and the costs of attending college.

Noe has been dean of students of Eureka college since 1948. Previously he was a high school teacher. During the war, he was an army officer. He holds the master's degree in education from the University of Illinois and has studied at the University of Chicago.

Emmert was graduated by the Dixon high school before entering Eureka college. After interrupting his education to serve in the army, he returned to Eureka college and has been a member of the faculty since 1950. He has done graduate study at Bradley university and Union Theological seminary.

Larson, pastor of Trinity Evangelical United Brethren Church in Sterling. P. O. Burgard will give a hymn story on one of the great Protestant hymns.

OKAY TRANSFER

WASHINGTON (AP)— The Communications Commission Thursday authorized the transfer of control of DeKalb Radio Studies, Inc., operator of WLBK, DeKalb, Ill., from Arthur J. Krupp and others to Arnold M. Fredericks and others for $55,000.

A monument to Jupiter was excavated from beneath Notre Dame cathedral, Paris, in 1711.

Anti-Robbery Device Fails Second Time

ST. LOUIS (AP)—Louis A. Klute pulled a fast one on a bandit once but it backfired a second time.

Klute, 78-year-old collector for a real estate firm, stepped on a floor button which sounded like a buzzer in a rear room when the bandit entered his office last week. The man fled.

But the same bandit returned Thursday and knew what to expect.

Klute said he was a little farther from the buzzer and the man beat him to it, jerking the wires loose. Then Klute was hit on the head.

The bandit escaped with $91 from an open safe.

A pack of chewing gum would cost more if it weren't for advertising.

You get 5 sticks with 18 wrappings for only a nickel—the same price as 40 years ago. Gum manufacturers use advertising as their lowest-cost way to spread news and information about their products. Selling this way makes mass production possible—which means lower production costs, lower selling costs, lower prices.

Alexander Pope has said, "Hope springs eternal in the human breast." And most of us will certainly not dispute his word. Who does not look for a better tomorrow? Who does not expect our troubles and sorrows will be eased next week, next month, or next year? It is human nature, and it is a wonderful attribute.

But mere wishful thinking and idle day-dreaming will do little to make our hopes come true. A passive attitude toward our ambitions will surely find us no better than before. This is true in all walks of life; in work, in play, in day-to-day living.

Along with this *hope* within us, other God-given gifts must be utilized. Habits of love, generosity, and brotherhood must be developed and our faith strengthened by regular attendance at our spiritual home, the Church.

The Bible . . . the Word of God . . . has been given to us as a pattern, a way of life for all to follow. Here we find the greatest promise ever given—that of eternal life. Through its great truths our hopes and ambitions are brought into proper perspective and we are able to press forward with confidence.

Take advantage of this great gift. Truly it is the Book of Hope!

THE CHURCH FOR ALL... ALL FOR THE CHURCH

The Church is the greatest factor on earth for the building of character and good citizenship It is a storehouse of spiritual values. Without a strong Church, neither democracy nor civilization can survive. There are four sound reasons why every person should attend services regularly and support the Church. They are: (1) For his own sake. (2) For his children's sake. (3) For the sake of his community and nation. (4) For the sake of the Church itself, which needs his moral and material support. Plan to go to church regularly and read your Bible daily.

Mortgage Lender's Eye Is a Bit Colder

Money may be a little easier to come by this winter if you want a new home. But the mortgage lender's eye is much colder today than a year ago.

Builders still complain about a tight mortgage market, in spite of the recent easing of money and credit in general. But lenders put it this way: "No actual shortage of mortgage funds, but access to it is becoming more difficult."

Lenders, in other words, are taking the cream of the applicants, and turning down unattractive risks.

• • •

Returning from a survey trip across the country, George W. Warnecke, head of the national mortgage investment firm bearing his name, reports today a slight easing of the mortgage market in the last month. He finds the market fairly strong in the West, firm in the Midwest, and undergoing "a period of readjustment" in the East.

Caution, not lack of money, keeps the mortgage market tighter than it was last year, says George L. Bliss, president of the Century Federal Savings Assn. of New York. Back of the caution is fear that if some building continues at the rate of a million or more homes a year there may soon be an oversupply.

• • •

But a builder, David Picket, president of the Gotham Construction Corp. of New York, disagrees. He thinks there's still a substantial backlog of demand and predicts 1954 will be another one million housing unit year.

In the Chicago area, Warnecke reports, all homes are selling well, but in New York and Los Angeles areas he found houses priced above $12,500 hard to sell. Stricter credit terms may be a reason.

"Requiring 10 to 15 per cent down payments automatically reduces the sales in many areas," he says.

• • •

Demand for office space stays high, he reports, especially in some of the smaller cities where big corporations are locating branch offices. He finds lenders in medium-sized cities "generally ready to finance modernization of existing buildings but extremely cautious in underwriting new office construction of the type that is required."

• • •

Earl B. Schwulst, head of the Bowery Savings Bank of New York, tells the Mortgage Bankers of America, meeting this week in Miami Beach, that savings banks have about six billion dollars they could invest in more mortgages.

Work Is the Best Cure for Feeling Sorry for Oneself

Here is a letter from a woman who realizes she has fallen into the habit of feeling sorry for herself, but doesn't know how to rid herself of the self-pity.

The very fact that she can see and admit the fault should help her to cure it. It may be so deep-rooted she will need professional help. But if it is just a bad habit she has fallen into recently, she should be able to get rid of it through her own efforts.

Most people have moments of feeling sorry for themselves: their best-laid plans go wrong; someone they have counted on lets them down; troubles pile one on top of another; illness strikes. Any one of those things can make a person feel sorry for himself if he takes the attitude: "Why did this have to happen to me?"

But he can shake off self-pity if he faces the fact that no one is immune to trouble or has a right to expect only good from life.

It will help, too, if the person will take stock of the situation that has brought on the feeling of self-pity and ask, What can I do about this? Where do I go from here?

WORK ALLAYS A FEELING OF SELF-PITY

You can't feel sorry for yourself when you are busy working out a solution to a problem or salvaging what is left after a personal failure.

The only way you can give self-pity the upper hand is to sit down and do nothing about your troubles.

So if this woman will face her problems squarely, figure out what can be done about the situation troubling her, she will discover she is too busy to waste time feeling sorry for herself.

Self-pity is sitting down and crying over spilled milk, instead of getting busy cleaning up the mess.

Good Play and Luck Win Bridge Hands

By OSWALD JACOBY

"This hand may strike your fancy," writes Phil Garland, well-known Tacoma expert. "My partner took a finesse successfully but couldn't afford to repeat the finesse even though the repetition would surely succeed.

"The hand was bid to the hilt, of course, but we needed a few good scores to win the open pair event in the Port Angeles championships, and you don't get good scores by just sitting still. West opened a low spade, and my partner, Charlie Davidson, put up dummy's ace in order to try the trump finesse.

"If he had found the king of trumps on side, the hand would have been easy, but West won the king of diamonds and tried to cash the king of spades. Charlie ruffed and led out a few rounds of trumps, discarding two low hearts from the dummy in the hope of disguising his great interest in dummy's hearts.

"His next step was to lead the jack of hearts for a finesse. West played low, and the finesse succeeded. It was now clear, of course, that West had the king of hearts because East would have been happy to take the setting trick if he had been able to do so. But Charlie couldn't afford to lead the queen of hearts and let it ride, because then he would be stuck in his own hand with no way to avoid the loss of a club trick.

"My partner led out the rest of his trumps, hoping to discover who had the king of clubs. West had to keep two hearts and could therefore keep only one club. He discarded one club with such unconcern that it seemed unlikely that he had the king of clubs. This wasn't evidence that would stand up in a court of law, of course, but it was better than nothing.

"Charlie finally led the queen of hearts, hoping that West had only the king left. But West could still play alow heart. So declarer put up dummy's ace of hearts and led a club towards his hand. He tried the club finesse and made the slam when that finesse worked.

"Slightly lucky, but rather interesting, don't you think?"

Very interesting, indeed, Mr. Davidson played the hand very well, but I think that West could have given him a rough time by discarding the jack of clubs and saving the low club. This might make it look as though his remaining club had to be the blank king. However, if defenders were always full of diabolical cunning this would be a tough world for ambitious bidders.

In Hollywood

By ERSKINE JOHNSON

HOLLYWOOD — (NEA) — There's no time for romance for Sgt. Friday on TV's fast-moving Dragnet, but Jack Webb's fan mail from the ladies has put him in the same heart-throb league with the Gables, the Ladds, and the Flynns.

It has been told that Mark VII Productions is planning a feature-length Dragnet movie for theaters, but I can now reveal a closely guarded secret — there will be sizzling love scenes for Jack and a big-name movie queen to be cast in the picture.

It's an impersonal "Yes ma'am" and "No, ma'am" for Jack on TV.

But it will be a very personal "Come here, doll" for him in the Gable style for the Dragnet movie.

• • •

Humphrey Bogart to stand-in Joe Connors on the set of "Sabrina Fair":

"What are you going to do after this film?"

Connors: "I'm going into TV at the Farmer's Market. You know — TV — Trimming Vegetables."

• • •

Gail Russell has decided to sue Esperanza Wayne for a mere $130,000 worth of slander just to teach the ex-Mrs. Wayne a thing or two.

• • •

A movie queen looks back dept: Ginger Rogers, after seeing herself in a revival of "Top Hat":

"I was hysterical all the way through it. The way I looked! I looked horrible! I don't know how I ever got into pictures!"

WHAT'S THE DIFFERENCE

Coming up for release one of these days is "Jet Pilot," the Howard Hughes air epic that Janet Leigh and John Wayne were teamed in four years ago. To rumors that the picture may never hit the screens because of changes since that time in jet planes, Janet says.

"Look, I saw the jet planes when we were making the picture and I've seen the latest ones. I couldn't tell the difference and I defy the average moviegoer to spot any changes."

• • •

Dorothy McGuire is now ready for the TV plunge. She'll alternate with Angela Lansbury as Ronald Colman's leading lady in TV's upcoming "Somerset Maugham Theater."

• • •

The casting announcements didn't mention it, but Bob Stack was turned down time after time for the role of the young pilot in "The High and the Mighty." Persistence of his agent, Bill Shiffrin, and critical hurrahs for him in "Sabre Jet" finally turned the trick.

• • •

Chuck Connors, the baseball whiz who became a movie star in "Pat and Mike" and "South Sea Woman," is now selling insurance to keep the bread buttered on the family table until his career luck improves.

• • •

Doris Day, recovering from her recent nervous breakdown, doesn't have to report to the "Lucky Me" set until 10 a.m. every day and is under doctors' order to rest between scenes and nap during her lunch hour. Judy Garland is checking in at 10, too, for her emoting in "A Star is Born."

SLIGHT CHANGE OF MIND

Few of Eartha Kitt's record fans know it, but the dusky singing star once played Helen of Troy to Orson Welles' Paris in a play he produced in France. Orson chose Eartha for the role after he had announced he was looking for the world's most beautiful blonde.

• • •

John Owens, a Texas oil man, has moved into No. 1 place in busty blonde Cleo Moore's life. They looked serious at the Capri. . . . Yul Brynner, whose contract, with Paramount was dissolved by time and a cash payment, will play Vincent Van Gogh in the film biography of the artist.

• • •

Jeff Donnell, who co-stars with Glenn Langan and Bill Gwinn in a telefilm series titled "Deal Me In," is still howling.

The 15-minute episodes are TV's first attempt to teach Mr. and Mrs. Parlor Viewer how to play bridge, but Jeff didn't know a no-trump game from a grand slam until she reported for work.

"Glenn hadn't ever played bridge, either," Jeff relays it. "Neither had the director. But our prop man was pretty good at the game."

• • •

The story's going around Hollywood that when Mal Milland, Ray's estranged wife, says "Your Grace" in Ray's presence, it isn't because Ray has been knighted.

• • •

And here's Hollywood's version of why Godfrey fired Julius:

It wasn't the heat—it was the humility.

ARREST SPIES

HELSINKI, Finland (AP)—Finnish authorities continued a probe into alleged spy activities today after announcing the arrest of five men, including an officer and an Air Force sergeant, on charges of spying for an unidentified foreign power. They were arrested Oct. 27 at Jyvaskyla, in central Finland, near a Finnish air base.

NEW YORK—Apropos of the Harry Dexter White revelations by Attorney General Herbert Brownell, I present the case of Robert Wohlforth. Wohlforth, who was secretary to the Nye and LaFollette committees of the Senate when they were loaded with Communists, has been suspended from the Anti-Trust division of the Department of Justice in New York since December, 1952. Wohlforth is a West Pointer of the class of 1927. He served a short time as an officer of the 18th infantry and after his resignation from the army, wrote a book described by Whittaker Chambers in his autobiography, "Witness," as "a fictional attack on West Point, popular in leftist circles in the 1930's."

Westbrook Pegler

The title of Wohlforth's book was "Tin Soldiers." He insists that many constructive criticisms of West Point contained therein have been adopted.

Dr. J. B. Matthews, the most informative apostate in a large group of penitents from the Communist front, says he often met Wohlforth around the offices of the Committee on Militarism in Education, which was "only a little bit Red," however. Matthews says the committee's purpose was to hold up to scorn the ROTC and military training as infiltration of militarists and reactionaries into education. This has been the Communist line except during the period when the United States was fighting to save Russia from her historic enemies, but it is not exclusively their line. Wohlforth says he never joined this committee.

Wohlforth's boss at the Anti-Trust division, Richard B. O'Donnell, refused to say any more about his status than "He is not with us."

"I am afraid this sounds pretty stuffy," Mr. O'Donnell said, "but that is all I can tell you about it. He hasn't been around since last December. The rule of silence is imposed on me by LeRoy McCauley, the security officer of the Anti-Trust division in Washington."

Wohlforth himself went further. He said he had been under "charges" since 1948 and had been cleared "on loyalty" but that "security is still held against me." He seems extremely nervous over the cloud on his name and the uncertainty after five years of suspicion and 11 months of idleness without pay. He said he had had a lot of "unfortunate associations," including professional relations on the Senate committees with Alger Hiss, John Abt and Charles Krivitsky, alias Kramer, named in sworn testimony by Elizabeth Bentley and others as Soviet agents, and in the Anti-Trust division with Judith Coplon, whose conviction was reversed by a legalistic fluke. The evidence against her was left unimpaired except on the ground that some of it had been obtained by the FBI without a search warrant. Wohlforth hired Judith Coplon and was her supervisor in the New York office of the Anti-Trust division. He insists that he made an adverse report on her, but that she was transferred to the department in Washington notwithstanding.

"I gave her an unsatisfactory rating," he said, "but somehow, and I never knew how this was waived, she got permanent employment. I had hired her for straight research work and did not suspect her."

Wohlforth lives at Ridgefield, Conn., formerly an "exclusive" Christmas-card type of New England village which, of recent years, in common with Wilton and other scattered Connecticut communities, has become heavily infested with open and covert Reds. He recognizes this situation. There are three newspapers in the region between the New York line and Bridgeport which follow the Red line in most political matters. One is suspected of receiving Soviet money.

Wohlforth is registered as a Republican. As a member of a zoning body he opposed the establishment in Ridgefield of an institution subsidiary to the International Workers' Order, which was labeled subversive and Communist by Attorneys General Biddle and Clark. He was a personal friend of the Henry Wallaces, who have a farm at South Salem where Bublehead has been trying to breed a Rhode Island Red to a French fried potato, but Wohlforth insists that he dropped Wallace, even socially, before he got going as the nominee of the Communists in 1948. However, they both are Episcopalians and sometimes meet in church.

Another of the "unfortunate associations" which Wohlforth regrets was a dinner given by one Shepard Traube, then of Ridgefield, for Paul Draper and his wife. However, he says this event antedated the trial of the libel suit of Draper and Larry Adler against Mrs. Hester McCullough, of Greenwich, in which they undertook to prove that they were not Reds but failed to do so when the jury disagreed. Mrs. McCullough's ordeal and the jeopardy of the McCullough home, which was attached under a quirk of Connecticut law long before the trial, aroused strong feeling against Draper and Adler, particularly in the Legion. They have been under wide boycott ever since.

Wohlforth also "associated" with George Seldes, another of the same category, but only at cocktail parties. His social preference might be surmised from the presence of Draper and Seldes, but Wohlforth, for all his experience among some of the most sinister proven traitors in the grand conspiracy, insists that in all instances his heart was pure.

There has been strife among the employes of the Anti-Trust division in New York over the persecution, possibly imaginary or exaggerated, of anti-Reds on the staff. One anti-Red was killed when he jumped or fell or was thrown from a six-floor height and one of his pro-American friends has expressed suspicions. Of course, there is no suggestion that Wohlforth threw the man out the window.

The La Follette committee, which Wohlforth served as secretary, with Abt and Kramer running the show, was a flagrant Communist exploit whereby Soviet agents used the Senate power of subpoena to acquire masses of confidential records of many of the most important American business firms. Senator Bob La Follette, jr., finally killed himself. He had been repudiated and discredited in favor of Joe McCarthy and all that McCarthy symbolizes by contrast with the record of the La Follette committee. The earlier Nye committee also was a Red ruse with Hiss as counsel and Wohlforth as secretary.

Congressman Martin Dies has charged that Wohlforth tried to plant Communist agents on him as investigators of Un-American Activities when he was chairman of the old special committee. He wrote that he spotted these candidates and rejected them. Wohlforth, however, insists that he did not know they were Reds and sent them over to Dies as an act of cooperation when the Dies committee, with an appropriation of only $25,000, was advised by the Roosevelt administration to borrow confidential investigators from other committees.

The Doctor Says:

Acute Bronchitis May Lead To Serious Complications

By EDWIN P. JORDON, M. D.

Although there are several possible causes for a chronic cough with hacking and spitting, bronchitis is one of the most likely. This condition, as the name implies, means an inflammation of the lining of the air passageways leading to the lung tissue proper.

The inflammation may be caused by germs, by dust, by chemicals in the air or from anything else which will irritate the delicate lining of the bronchi.

Consequently, bronchitis can and often does follow an ordinary cold, a sinus infection, whooping cough, measles, or any other germ or virus infection.

There are two main varieties. Acute bronchitis usually starts rather suddenly with severe coughing, often some pain in the chest, and fever of around 100 or 101 degrees. As a rule, there is not much mucus brought up at first. Later the mucus may increase and sometimes there is a lot of it.

The treatment of acute bronchitis is much like that of any other infectious disease. The patient must be confined to bed in a room which is kept at an even temperature, and with plenty of moisture in the air. Fluids should be taken in large quantities, and the diet must be sufficient and easy to digest.

Sometimes steam inhalations to which certain medicines have been added are helpful, particularly in relieving the cough. The sulfa drugs or one of the antibiotics may be used at the discretion of the physician in charge.

The prompt and successful treatment of acute bronchitis is important not only for the relief of that condition, but also to try to prevent the chronic form. In chronic bronchitis it is necessary to go to great lengths to find what is keeping the condition going.

STUDIES MUST BE MADE .....

The sinuses must be studied, and it may be necessary to make complete allergy tests to find out if an allergy is partly responsible. Sometimes even these studies fail, and the bronchitis goes on and on with increasing discomfort to the patient.

It should not be allowed to continue, however, if there is any way of preventing it, because a long-continued bronchitis may lead to other complications including bronchiectasis in which the tiny air pockets in the lungs become permanently enlarged and filled with mucus and pus.

There's only one kind of club member to be. That's an enthusiastic, working member. Otherwise, you are so much dead wood. So if you find that you are missing as many meetings as you attend, that you are always too busy to serve on an active committee, that you really aren't interested in making your club's projects a success, why not resign?

There's no law that says you have to stay in a club once you've lost interest in it.

Stockings To Be Dark, Sheer

Dame Fashion will put her legs into darker, filmier hose this fall. The color trend is toward the deeper, sharper colors that accent dresses of autumn colors. And, to be attractive, hose must be quite sheer if they are dark and have dark seams.

According to Myra Baker, specialist in fashion design, University of Illinois College of Agriculture, some manufacturers are helping to make it easy to choose hose that harmonize with your costume. They are printing the suggested colors on the hosiery boxes or else on the tops of the stockings.

So far as sheerness is concerned, you'll find some hose that are extremely sheer, like 72 gauge, 15 denier. But the favorites—51 and 60 gauge, 15 denier—while not so sheer, are still lovely for most occasions and will give longer wear.

Hose have gone to new lengths, too. Those that stop just short of the knee will give longer wear to the active woman who does a great deal of knee bending.

Battle Of Tariffs May Break Out In Congress

Economic Fight Between West, Russia to Play Role

By SAM DAWSON

NEW YORK — (AP) —An economic battle which some see shaping up between Russia and the West could play a part in the big battle over tariffs which seems sure to break in the coming session of the U. S. Congress.

American business firms are already choosing up sides. Among advocates of lowering trade barriers are those with goods to sell abroad. Urging more protection are some who see cheaper foreign-made goods threatening their industries. The battle will be the more bitter because a period of keener trade competition seems just ahead.

Top Topic

The coming tariff battle in congress will be a top tpoic when 2,000 businessmen engaged in foreign commerce and investment meet here next week with some high government officials for the 40th national foreign trade convention.

William S. Swingle, president of the sponsoring group, the National Foreign Trade Council, points out the stake Americans now have in foreign trade.

In 1914 American export and import trade in goods and services added up to five billion dollars. Today it's well over 30 billion. If world trade barriers could be lowered, by some miracle or other, it doubtless would be much higher.

Meet In Paris

President Eisenhower's 17-man commission on foreign economic policy is in Paris today hearing what the Europeans think about the chances of doing that.

Europeans, of course, want help from the United States to continue —whether in the form of more military funds or in lower American tariffs.

One argument they are stressing is that Russia and its satellites are at last in a position to produce increasing quantities of consumer goods.

Russia's low labor standards would put her in a position to undersell the West. That would make the Soviets and their satellites economic rivals both of Western Europe and of American industry in fighting for trade with many backward areas.

Need Strength

Europeans contend they need lower American tariffs and more trade here to build up their economic strength for the coming tussle.

Some Americans aren't so sure. They doubt if Russia can produce or sell enough to matter much.

And some Americans think Europe is doing pretty well right now. Thanks in part to heavy purchases by this government of goods and services abroad, the dollar gap has been closed. That is: leaving out U. S. grants and loans, commercial trade is running slightly against the United States. As a result, in the last fiscal year other countries have built up their total gold and dollar reserves by two billion dollars, reversing the trend of previous postwar years.

Constitution

pearance was postponed indefinitely.

A committee source said today Blumauer telephoned the committee Thursday night that he could not comply with the committee's subpoena without being in contempt of court for divulging grand jury proceedings.

Under Pressure

That left the committee—arguing among itself and reported to be under heavy pressure from the White House and the Republican national committee—with a mighty tenuous schedule of witnesses and hearings.

Brownell was one witness. Velde and other Republican committee members gave in to their Democratic colleagues' demands Thursday and, by unanimous committee vote, invited—rather than ordered—the attorney general to testify. Brownell accepted, but again no date was set.

Velde said he has some further questions to ask Vaughan, who was military aide to Truman, in the wake of the retired major general's testimony Thursday before the senate internal security subcommittee.

Couldn't Recall

Vaughan, squinting in the glare of television and newsreel lights, told the senators he couldn't recall seeing any FBI reports on White. But he added that if Brownell said they were sent to him to be brought to the President's attention "I would not question it for a moment."

That was exactly what Brownell did say in the Chicago speech which set off the whole uproar a week ago today.

The effervescent Vaughan, who figured in investigations of influence peddling late in the Truman administration, testified soon after another onetime Democratic official, T. Lamar Caudle, added some details to the charges and countercharges.

Caudle, fired by Truman as an assistant attorney general for "outside activities," testified that in early 1946 he called Clark's attention to an FBI report indicating White was a Communist underground agent.

Caudle said he told Clark "if the facts were true, I hoped he would do what he could to discourage the appointment of White" as U. S. director for the international monetary fund.

Caudle said he gave this report to Clark by phone while the then attorney general "was over, I think, in Johns Hopkins hospital getting a physical checkup."

But Robert Morris, committee counsel, said records of the Baltimore hospital show Clark was a patient there between Feb. 15 and Feb. 26, 1946—and White's nomination already had been confirmed by the senate on Feb. 6 of that year.

Caudle shook his head and said in his soft North Carolina accent that he couldn't explain the discrepancy: "It was eight years ago, Mr. Morris . . . It is just in my mind."

Chairman Jenner (R-Ind) said he'd heard enough from Caudle, Vaughan, Brownell and Byrnes to convince him that Truman received FBI reports linking White to a Soviet espionage ring in 1946. Jenner declared:

"As an individual, I see no reason for calling Harry Truman before this committee, because the record speaks for itself."

Decision to Abandon Spoon River Project Raises Howl

CANTON, Ill. — (AP) — Abandonment of the proposed Spoon River atomic plant brought a protest today from two members of the Farm Equipment - United Electrical Union.

John Doubet of Farmington and Vance Polich of Smithfield, former officers of the FE-UE's local at the Canton plant of International Harvester Co. said they had telegraphed President Eisenhower urging him to use his influence to bring about reconsideration by the Atomic Energy Commission of its decision to drop building of the 26 million dollar plant.

Organizing Meeting

Doubet and Polich said also they were organizing a protest meeting at Canton to be held Sunday.

The AEC announced Thursday the project was being abandoned because technical achievements have made it unnecessary.

The former local officials of FE-UE, an independent labor group since its expulsion by the CIO for failure to do away with left wing leadership, said they had urged the President to allocate "some kind of defense work" to the western Illinois area if the AEC plans are not reinstated.

The FE-UE men said that recent curtailment of production by the farm equipment industry, with the resultant layoffs for several thousand workers "is having a tremendous effect upon the welfare of workers and small businessmen."

Economy Hit

"With no relief in sight, our economy will soon be affected adversely if something isn't done to take up the slack," Doubet and Polich quoted their telegram.

Doubet said in a separate statement that the output reduction of farm machinery "will make ghost towns" of many communities in the Fulton County area where the Spoon River plant work had begun.

Cancellation of the AEC plant plans came as a blow to backers of several housing plants in the area. At Macomb, Ill., 18 miles west of the abandoned plant site, a housing project designed to provide homes for Spoon River workers is near completion. A similar project has been started at Ipava. At Table Grove, a large tract was recently purchased for construction of a tourist camp.

Lay Rail Lines

The Burlington Railroad had spent money laying spur tracks to the proposed site. The Illinois Bell Telephone Co. put in many lines to the area.

Several schools in the area already had enlarged their facilities, expecting an influx of new families.

Budget Commission to Scan Spending by Institutions

SPRINGFIELD, Ill. (AP) — The Illinois Budgetary Commission will pore over spending of state welfare institutions in a series of hearings getting under way Tuesday.

Sen. Everett R. Peters (R-St. Joseph), commission chairman, said Thursday the first look would be at records of Jacksonville State Hospital and Illinois Soldiers and Sailors Home at Quincy.

Lincoln State School and Alton State Hospital are scheduled to come under examination Wednesday. Records of 22 remaining institutions will be studied thereafter.

Peters said superintendents have been told to be prepared to give a "line by line" record of spending for the two years ended last June 30.

Peters said in an interview that the commission was prompted to hold the hearings because of unanswered fiscal questions raised at the 1953 legislative session about welfare institutions.

Purposes of the inquiry, Peters said, included finding out if economies could be made and if all institutions got enough money. He added that legislators wanted to know if it would be feasible to give each institution its own money allowance directly instead of channeling it through the Welfare Department.

Oregon Man Seeks Ferry Cable Permit

OREGON — (Special) — Cyrus Jones, Oregon, has applied for federal approval of plans authorizing an existing guide cable across Rock river south of Oregon. The cable is used to guide a ferry from the west bank of the river to Elm island. The ferry carries people and supplies.

Rock Island district Army engineers have invited all interested parties to submit to its office in Rock Island by Nov. 20 written statements of facts, arguments or objections in connection with the cable.

Jones said he had not known a permit for the cable was necessary, but when he did find it out, he applied for such a permit. He said to his knowledge no permit had ever been issued.

Regulations provide that the cable will have to be raised ten feet from its present level.

The ferry has operated at the location for 75 years. Jones' son, Al, owns property on the mile-long island, and two years ago used the ferry to move a tractor to the island.

Reveal GOP Brass Put Heavy Hand on Velde

Top-Level Meet Resulted In Decision to By-pass HST

WASHINGTON —Heavy pressure was applied by the Republican National committee and the White House before Republican members of the house un-American activities committee dropped their plans to require former President Truman to testify.

This was learned today from reliable sources who may not be named.

The idea of having the ex-president as a witness in an investigation of the Harry Dexter White case originated with the Republicans, and they made the decision to give it up.

The Republicans got their first intimation that they might be on shaky political ground when President Eisenhower, at his Wednesday news conference, said he personally would not have subpoenaed Truman or Supreme Court Justice Tom Clark.

It was learned that White House staff members made their views known to GOP members of the house committee, either directly or through intermediaries.

The GOP national committee also moved into the picture Wednesday.

Reliable sources said Chairman Velde (R-Ill) and the other two Republican members in the city, Representatives Clardy of Michigan and Scherer of Ohio, met that night with a "high representative" of the national committee. The meeting was held at Velde's home in nearby Alexandria, Va.

"Bad Politics"

The representative of the national committee reportedly spoke for GOP Committee Chairman Leonard W. Hall and declared in effect that the plan to subpoena Truman was bad politics and might backfire on the Republicans.

The committee changed its plans after the Wednesday night session. Velde announced Thursday that questioning of Truman, set for today, had been postponed indefinitely.

Ironically, a few minutes later Velde received by courier a letter from Truman refusing to honor the subpoena on legal grounds.

Polo Youth In Court for Theft of Gas

OREGON —(Special)— An 18-year-old Polo boy is scheduled to be brought into Ogle county court today to face a charge of violating his probation.

Harold Myers, on a two-year probation in Ogle county for breaking and entering, today admitted taking gasoline from a Lee county farm near Sugar Grove, northwest of Dixon.

According to Ogle County Sheriff James White, Myers was picked up Thursday night for questioning when it was learned Lee county had a warrant out for his arrest for trespassing.

Lee County Sheriff John Stouffer said today Myers had been seen on a farm managed by Robert Manchester.

Sheriff White added that Myers said he had taken gas from the farm on Oct. 29 from an overhead tank and that he was frightened off in a second attempt on Nov. 10.

White said Myers also was on probation in Whiteside county for stealing hub caps from automobiles.

He faces revocation of his probation and a penal sentence.

Drainage Suit Arguments Are Heard in Court

Arguments were heard today in Lee county Circuit court involving an action against commissioners of Harmon township Drainage district 1.

The case involves a $16,000 damage suit against the commissioners and a petition for a writ of mandamus ordering them to perform the duties of their office.

Action against the commissioners was taken by Raymond and Imogene Ribordy, of near Harmon, who operate a farm in the district. The commissioners are Frank Hicks, William Luke, and LeRoy Henry.

The Ribordys want the court to order the commissioners to maintain proper drainage in the district, which, according to their petition, has not been done.

They claim the waterway, which normally serves as a drainage outlet for their farm property, has eroded and become clogged, causing the water to flow onto land usually tilled.

As a result, it is argued, they have suffered severe damages to crops in the amount of $16,000 for which they request a court judgment against the commissioners in that amount.

The case was continued tentatively to Nov. 23.

Wheaton Paper Hit by Strike

WHEATON, Ill. (AP) — The Daily Journal suspended publication Friday for the fifth day because of a walkout of eight printers and press men.

Harry F. Smith, business manager of the paper, said the men failed to report for work Monday and are striking for wages equal to those paid in Chicago to members of the International Typographical Union. Wheaton is 25 miles west of Chicago.

Smith said negotiations are underway with representatives of the Chicago local of the ITU. The paper has a circulation of 5,400. The eight men involved are employed in the mechanical department.

The Chicago scale for printers is $111 a week for day work and $116.50 for night. A week is 37½ hours.

Rockford Man Wins $22,500 Damage Claim

OREGON — (Special) — An Ogle county circuit court jury awarded Sam Pagano, 26, Rockford, $22,500 in damages Thursday night in connection with a traffic accident near Polo last Feb. 20.

It was one of the largest awards ever granted by a jury in the county.

The jury ruled the damages should be assessed against the estate of Howard Leisner, 18, Sterling, who was killed in the crash.

Leisner was driving a pick-up truck in which Pagano was riding. Another passenger in the vehicle was Claude F. Clark, 28, Rockford, who also was killed.

The pick-up truck collided with an auto transport driven by Howard Galloway, 35, Owosso, Mich. Galloway was seriously injured.

The accident happened at the junction of the Sterling blacktop road, Rt. 52 and Rt. 26 south of Polo.

State police said the pick-up apparently did not stop for an arterial sign.

Battery Additive 'Without Merit,' Academy Claims

WASHINGTON (AP)—A committee of the National Academy of Sciences sided today with the findings of the Bureau of Standards that the controversial battery additive AD-X2 "is without merit."

The committee, appointed by Secretary of Commerce Weeks to evaluate the work of the bureau in testing AD-X2, recommended that no additional tests of the material be made. The California maker of the battery additive, Jess Ritchie, claims that AD-X2 will rejuvenate worn-out but mechanically sound storage batteries of the type used in automobiles.

In reporting to Weeks that its information supports the AD-X2 conclusion of the bureau, the committe said the work done by this government scientific agency in testing batteries "is excellent."

New York Girl Found Unharmed After Kidnaping

NEW YORK (AP)—A 13-year-old girl was found today apparently unharmed after being kidnaped from her East Side Manhattan home and held captive for almost four hours by a scar-faced man.

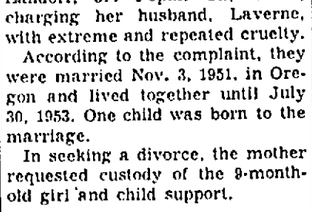

The girl, Dorothea Del Longo, was wearing only pajamas and a coat when she was forced into a car about 5 a.m. after the scar-faced man had terrorized her family for an hour.

Police said she reported the man put her out of the car about 9 a.m. after giving her $5. Police said the girl had been riding around in the kidnaper's car for about four hours.

33-Year-Old Towboat Will Be Retired

LA SALLE, Ill. — (AP) — The 33-year-old towboat Montgomery, a familiar sight on this section of the Illinois river, has been abandoned.

The Federal Barge Lines towboat has been replaced by the new Inwaco, named derived from the original owner of the Montgomery—The Inland Water Co.

The old boat was built in 1920 at Jeffersonville, Ind., as a double deck steamer. It was converted later to a single decker with a retractable polit house, so it could get under the low Chicago bridges.

Dirksen Predicts End of Foreign Aid by July 1

CHICAGO (AP)—A drastic curtailment of foreign economic aid after next July 1 was predicted Thursday by Sen. Everett R. Dirksen.

He told the Chicago Export club, "for the fiscal year after this one I have an idea that economic aid will be just about cut off, leaving only military aid."

The country "must have a flow of products beyond the continental United States," he said, because "there'll be no Marshall Plan for us if we go down the drain."

"Maybe you don't know it, but you own 760 million pounds of cotton seed oil, 470 million bushels of corn, 540 million bushels of wheat and 160 million pounds of butter.

"It's going to be sold sometime."

The automatic gas refrigerator stores up to one and a half bushels of frozen meat, vegetables and fruits, ice cream and ready-to-eat desserts.

SO THIS IS THE WIKINI—Sue Fetz of San Francisco is not only a pretty model, but a brave girl. Here, standing on a San Francisco Beach, she models the "Wikini," designed to give a new look for sunning, not swimming. The brief garment was introduced at a preview for 1954 swim suits in Los Angeles but the model refused to permit pictures because, she said, "I have a husband and a job." It's more important that I keep the husband."

Boys Steal Plane, Ride Ends in Crash

GRANITE CITY, Ill. (AP)— A couple of youngsters spent a day watching activity at a nearby airport, slept in a plane overnight and then decided to take a solo ride.

Here's what happened:

The youths, 12 and 13 years old, got the Piper Cub started, taxied to one end of the field and turned for the takeoff. They got the plane slightly off the ground but it smashed into two parked planes. No one was injured but damage to the planes was estimated at $1,500.

Strange Case of South American Refugee Studied

WASHINGTON (AP)—A well-known South American political figure, for five years a refugee from his country's police in the heart of its own capital, will have his strange case laid before a five-nation tribunal next week.

Victor Raul Haya de la Torre, now 58, sought refuge at the Colombian embassy in Lima, Peru, Jan. 3, 1949. He has lived there ever since, in a comfortable house surrounded by a lawn, a garden—and the Peruvian police.

By long established Latin American practice, a political figure hunted by his enemies can always find asylum with a foreign diplomat. It's a custom that has many friends among politicians on a continent where changes in government are often sudden and sometimes violent.

Haya, generally described as a leftist but not a Communist, was accused of taking part in a bloody uprising in Peru in 1948. Peruvian authorities asked Colombia to surrender him as a common criminal. But Colombia maintained he is a political refugee with a right to asylum.

Peru and Colombia fought the case twice through the international court of justice at The Hague. The last ruling was that the asylum should come to an end, but that Colombia did not have to turn him over to Peru. Since then the two countries have tried in vain to reach agreement.

Colombian Foreign Minister Evaristo Sourdis will put the matter before the inter-American peace committee, consisting of the United States, Argentina, Mexico, Cuba and Brazil, on Tuesday.

Illini Face Toughest Hurdle at Wisconsin

Williamson Knows How To Stop J. C.

Michigan State vs. Michigan in Other Top Big 10 Action

NEW YORK (AP)—The Illinois football team, which would like nothing better than to spend the Christmas holidays in California, runs into its biggest stumbling block when it meets Wisconsin at Madison tomorrow.

Unbeaten in the Big Ten, the Illini need one more victory to assure themselves of at least a tie for the conference title and its accompanying trip to the Rose Bowl.

Wisconsin, beaten in the Big Ten family only by Ohio State, still has conference title hopes and Badger Coach Ivy Williamson claims he knows how to stop J. C. Caroline and Mickey Bates.

TV Game

At East Lansing, Michigan State, the other main candidate for the Big Ten crown, engages Michigan in the television game of the day. The Spartans figure to win. If they do they'll finish the conference with a 5-1 record.

Illinois was ranked third in the nation in this week's Associated Press poll. Michigan State was No. 4.

First-place Notre Dame journeys to Chapel Hill, N. C., to meet North Carolina, the nearest thing to a breather on the Irish schedule.

Terps Unbeaten

Maryland, the No. 2 club, plays host to Mississippi, No. 11. Like Notre Dame and West Virginia, Maryland is unbeaten.

Fifth - ranking Georgia Tech, which probably will operate without halfback Leon Hardeman, headlines the Southeastern Conference's top attraction at Birmingham against Alabama.

Oklahoma has a chance to become the first team to clinch a major bowl bid this season. The Sooners entertain outclassed Iowa State while Kansas State, the second-place team in the Big Seven Conference, is the underdog against Missouri. An Oklahoma victory and a Kansas State loss would wind up the Big Seven race, which carries an Orange Bowl invitation. Oklahoma is ranked No. 6.

UCLA Returns

UCLA returns to action against Washington after a week's rest. The seventh-ranking Bruins, very much in the Western half of the Rose Bowl picture, can tie for the Coast Conference lead since Stanford will be playing an outside date with San Jose State.

Purdue at OSU

Purdue, the only team to beat Michigan State this year, invades Ohio State, with the Buckeyes rated a 14-point choice. Ohio State's title hopes were jolted by a second conference defeat last week as Michigan State took a 28-13 decision.

In other Big Ten games Saturday, Northwestern is given a 3-point edge at Indiana and Minnesota is favored by 7 at Iowa.

Experience in the Ashton Camp

—Telegraph Photo

WITH AN EYE ON THE BASKET these Ashton lettermen prepare for the coming season with hopes of capturing the Route 72 conference crown. Left to right: Bill Warner, Bob Hicks, Darryl Vaupel, Larry Butler, Gene Schinzer, Ray Nelson and Paul Gaskins.

Seven Lettermen Bolster Aces Conference Hopes

Three Juniors May Move in To Top Spots

ASHTON — The Ashton Aces hope to bounce to the top in what should be a rugged Route 72 conference race with a squad which includes seven lettermen and three juniors who threaten to move up to the starting five.

Coach Paul Crafts, now in his ninth year as head of the Aces basketball fortunes, has seven seniors back who won letters last year. Only two members of the 1952-53 season graduated.

Heading the veteran list are Ray Nelson and Larry Butler. Nelson, a 5-8 guard, shoots well and is a good playmaker. He played forward last season but may be moved back to guard this year.

Butler, 6-3 center, will probably be back at that spot again this season. He was a top scorer last year and a good rebounder.

Three Juniors

Bob Hicks, a 6-0 forward, seems likely to win back his starting position, but Paul Gaskins, 6-1 forward; Bill Warner, 6-3 center; Gene Schinzer, 5-9 guard and Darryl Vaupel, 6-1 forward, may have trouble making the starting five against three juniors up from the frosh-soph squad.

The three underclassmen making a strong bid are Jim Bolen, 5-8 guard, John Wisman, 5-8 guard, and Stan Lawson, 5-11 forward.

Three other varsity candidates who may cause trouble in the battle for starting berths are Gene Bothe, 5-9, senior guard, Loren Schafer, 6-0, junior forward, and Don Huntley, 5-10, junior guard.

Favors Forreston

Right now, Crafts sees Nelson, Butler and Hicks as probable starters with the main battle for the other two positions being fought for among Wisman, Bolen, Gaskins and Lawson.

Crafts expects Forreston to again be the favorite in the conference race, but feels that Stillman Valley, Byron, Monroe Center, Winnebago and Ashton are all capable. All should be tougher this season.

Last year, Ashton finished with a 6-8 conference record and a 10-14 season mark.

Pro Sports World Happy Over Court Football Ruling

PHILADELPHIA (AP)—A ruling by a federal judge that the National Football league legally can restrict television coverage of its games left the professional sports world in a state of happy confusion today.

Both football and baseball circles appeared gratified over the first portion of a four-part decision Thursday by U. S. District Judge Allan K. Grim.

Judge Grim — acting two days after the U. S. Supreme Court ruled professional baseball is a sport and therefore not subject to the nation's anti-trust laws — held that the NFL has the right to ban television of league games into other league cities when home teams are playing.

'Fine Ruling'

NFL Commissioner Bert Bell hailed the ruling and Ford Frick, commissioner of baseball, said "it is a fine ruling for football."

However, neither Bell nor Frick would comment on the effects on each other's domain of the remaining three parts of Judge Grim's ruling.

The federal jurist termed "illegal" three NFL rules which:

1. Restrict telecasts of games into league cities when the home team is playing out of town.

2. Restrict radio broadcasts of NFL games.

3. Permit the NFL commissioner to veto radio and TV contracts.

Good For Radio

Bell said he felt that football had "won the most important part of its case" in being given the legal right to impose TV blackout curtains around home games.

Judge Grim's verdict was applauded immediately by Gordon McLendon, president of the defunct Liberty Broadcasting System which has a suit of 12 million dollars pending against 13 major league baseball clubs.

Judge Grim said, "There is no factual justification for territorial restrictions on the sale of radio broadcasting rights."

McLendon commented this statement means his suit is valid and that Liberty Broadcasting will win rights to "unrestricted broadcasting of major league baseball games."

He had charged his broadcasting chain was forced into bankruptcy more than a year ago when the major league clubs withdrew his broadcasting rights and made it impossible for him to fulfill contracts with his sponsors. His case is set for trial in Chicago, Jan. 2.

Wheaton, Central Michigan Out to Sew Up Loop Titles

CHICAGO (AP)—Wheaton and Central Michigan can nail down football championships of their respective conferences Saturday.

Wheaton closes its college Conference of Illinois campaign at Millikin needing a victory to cinch the crown with a 4-0 record. The Crusaders were unbeaten for the season until crushed 32-0 by Valparaiso last week. Millikin has a 2-2 CCI record.

Should Wheaton falter, Augustana and Lake Forest could share the crown. Resurgent Augie closes out as host to winless Illinois Wesleyan and a triumph would give the Rock Island school a 4-1 mark. Lake Forest already has ended its league season with 4-1.

North Central (2-3) is at Elmhurst (0-4-1) in the only other CCI game.

Central Michigan, with a brilliant 5-0 record, can take the Interstate League title by beating Michigan Normal, 4-1. If this happens, Western Illinois has a chance for second place.

The Leathernecks of Macomb, who will meet Iowa Wesleyan in the Corn Bowl game at Bloomington, Nov. 26, have a 3-1 mark and invade Northern Illinois (0-4) Saturday. Western winds up its IIAC campaign as host to Southern Illinois Nov. 19.

Eastern Illinois (0-4) is at Illinois Normal (2-3) in the only other IIAC contest.

'There Be No Doubts' This Time Says Gavilan of Bout

Carruthers Keeps Crown; Decisions Gault

SAN FRANCISCO (AP)—World bantamweight champion Jimmy Carruthers, a slick dancer from Australia, held his title by a decision as he deftly boxed down Pappy Gault of Spartanburg, S. C., in a 15-round fight at Sydney, broadcast by the Australian radio.

At the end only a knockout could have won for the shorter, stockier American, said the broadcast heard in San Francisco.

A crowd estimated at 25,000 roared as the tiny fighters battled down to the end in the outdoor arena under warm skies.

Gault weighed 117¾, Carruthers 117½.

Carruthers, who stood three inches over the stubby American, never let Gault corner him.

He took the lead at the start and held it almost all the 15 rounds.

There were no knockdowns.

In the third round, Carruthers came out of a hurried flurry of blows with a cut right eye, but he nursed it through the rest of the fight without trouble, never letting Gault work on it. It stopped bleeding in the seventh.

Caroline Has Sore Big Toe

CHAMPAIGN, Ill. (AP)—It might rain or snow at Madison, Wis., Saturday, according to J. C. Caroline's big toe.

The official forecast for the pivotal Big Ten game between Wisconsin and Illinois says no, but Caroline's big toe on his left foot pained him so much Thursday he had to leave practices. X-rays at the University Hospital showed there was no injury. He was given heat treatments.

Caroline, sophomore halfback who is the nation's leading ball carrier, said "I've been bothered with it since Tuesday, but it really began hurting yesterday."

SPORTS? WHAT'S TH' SCORE

by Norm Follow

THIS PROGNOSTICATOR DID NOT HAVE such a successful week the last time out. In the prep pickings, I was right only five times, was wrong three times and had another tie. That drops the season average to .750 on the nose with 63 right, 21 wrong and three ties.

In the college circle, I had almost a duplicate of the week before, getting five right and one wrong. Something keeps going amiss with the upset specials.

* * * *

Our Saturday indicator shows these will be the winners on the midwest college gridirons.

ILLINOIS OVER WISCONSIN—Someone put a bandaid on Caroline's big toe and let's go.

NORTHWESTERN OVER INDIANA—The Wildcats win this week and get it out of their system.

MINNESOTA OVER IOWA—Someone said Giel can't run as well away from home. We'll see.

MICHIGAN STATE OVER MICHIGAN—The Spartans still hope for a shot at the Rose Bowl.

OHIO STATE OVER PURDUE—The Boilermakers have had their taste of glory.

NOTRE DAME OVER NORTH CAROLINA—The Irish were scared last week, but it won't happen again.

COACH LON SCOFIELD THINKS he has two evenly balanced fives for the current campaign and as a result, he will be able to do a lot of juggling around in search of a starting five.

Last night, Scofield pitted one team, which included: Carl Olsen, Jerry Curran, Larry Lund, Don Nafziger and Pat Kernan, against a second team of: Ken Sheely, Merle Pittman, Ed Slain, Jim Collins and John Perry.

THE DIXON COACH did a little juggling with this line-up but for the most part, these two outfits scrimmaged against one another. And they battled pretty nearly even.

As reserves for these two teams Scofield has inserted Tom Hufford and Ken Gaul at times.

BREAKING DOWN THE TEAM BY POSITIONS, Scofield has Olson and Sheely for centers, Curran, Lund, Pittman, Hufford and Slain for forwards, and Nafziger, Kernan, Collins, Perry and Gaul at guard.

"We've got two things in mind for this squad," Scofield reported. "We want to line-up the best club for this year and at the same time, fit the boys into slots for next season. We'll use all these boys, trying to work the boys who are placed on the second squad in tight situations when possible so that they will be ready for next season."

Cuban 8-5 Choice to Retain Title

Third Meeting of Kid, Bratton; 2nd For Championship

CHICAGO (AP)—Kid Gavilan, razor-sharp and making the 147-pound weight limit without a strain is a solid 8-5 choice to retain his welterweight championship tonight against a threatening and determined Johnny Bratton.

The 15-round fight, promising to be a scorcher, will be televised (NBC) and broadcast (ABC) nationally starting at 9 p.m., CST. The Chicago area is blacked out on TV, boosting the Chicago Stadium crowd to an expected 17,000 with a net gate of about $130,000.

Bratton, who at 26 has been in the ring professionally for nine years, will receive 20 per cent of the net and $10,000 from a TV cut

CHICAGO—(AP)—Tale of tape for tonight's welterweight title bout between Kid Gavilan and challenger Johnny Bratton:

Gavilan		Bratton
27	Age	26
147	Weight	147
5-10	Height	5-10
71 in.	Reach	69 in.
36	Chest Normal	38½
39½	Chest Expanded	40
32	Waist	32
20½	Thigh	20½
13½	Calf	15
14	Biceps	13
11	Forearm	11
16½	Neck	15½

—in all approximately $36,000 that should get him out of hock after a spending spree as a teen-age phenom.

Seventh Defense

Gavilan, making his seventh defense of his crown since taking a 15-round decision from Bratton, then the NBA titleholder, in New York two years ago, will get 40 per cent of the net gate and TV.

It will be the third meeting of the two. Gavilan became the third fighter to fracture Bratton's jaw in their first scrap and Bratton also broke his hand in that maul. Later in 1951, they met in an overweight nontitle bout at Chicago Stadium that was ruled a draw. Gavilan claimed he was a victim of a home town decision and says: "I whip him for sure this time . . . There be no doubts."

Interest in the Cuban Hawk's defense tonight is sharpened by his uninspired job in September at Syracuse against Carmen Basilio. Basilio scored a knockdown and Gavilan was hard pressed to get a decision.

Gavilan had to shed eight pounds in two weeks to make the 147-pound weight for Basilio.

In 112 fights, only Ike Williams and Basilio have floored the Kid. Bratton has been down only once, conked by a guy named Robert Earl in 1945. He got up and chilled Earl in the same round, the third.

If Bratton ever needs a victory it is now. He knows he has everything to gain, and a loss would slide him back into the category of just another welterweight on the peanut circuit.

They Make Pawpaw Strong

PAWPAW FANS FEEL THE BULLDOGS will be strong this year with the return of seven lettermen. Left to right, kneeling: Wayne Lysland, Dale Breeze, Coach John Bednarcik. Standing, Jerry Johnson, Bob Klatt, Dean Eich, John Torman and Keith Pfeifer.

Pawpaw Has High Hopes

PAWPAW—When John Bednarcik took over the reins at Pawpaw high school as basketball coach, he walked into a setup as pretty as any coach could want.

Of the first ten men on last year's squad, all ten are back including seven lettermen. Because of this, Pawpaw is rated as a leading contender for the Little Ten conference crown along with defending champion Waterman, Earlville and Rollo.

Heading the list of returning veterans is Bob Klatt, 6-2 forward who holds the school all time scoring record which he set last year. Klatt is a senior.

John Tormon returns to the other forward position. He is 6-0 and a junior. Wayne Lysland, 5-11, junior, is a third forward letterman.

At center is Dean Eich, a 6-3 senior who is a good pivot man and top scoring threat.

Returning at guard are Dale Breeze, a shifty and heady player who is the team leader, Jerry Johnson and Keith Pfeifer. Breeze, 5-10, and Johnson, 5-10, are seniors while Pfeifer, 6-0, is a junior.

Three other veterans, who did not letter last season are Richard Kaiser, 6-0, junior center; Roger Oldfather, 6-0, senior forward and Joe Hawbaker, 5-9, senior guard.

The Bulldogs have a 15 game schedule and will compete in two tournaments, the GRVC and the Little Ten.

Bednarcik, now in his second year of coaching, replaced Paul Henkle, who started last season with an all-underclassman squad. Bednarcik was junior high school coach at Pawpaw last season. He is a graduate of Northern Illinois State Teachers college and also played ball at the University of San Francisco with the 6th Division while in the army.

RECORD INCREASES

SAN MATEO, Calif. (AP) — Jockey Willie Shoemaker ran his year's world record string of winners to 438 with four firsts Thursday at Bay Meadows.

Formal Signing

MIAMI, Fla. (AP) — The Orange Bowl's two-year pact with the Big Seven and Atlantic Coast Conferences will be formally signed Sunday at a meeting in Washington, D. C. These conferences will provide the Orange Bowl teams for the next two New Year's Day football games.

Browns Had Good Nucleus, Claims Dykes

BALTIMORE (AP)—Jimmy Dykes says he'll be on the third base line next year in his new job as manager of the Baltimore Orioles and that the former St. Louis Browns hope to draw new life from heavy fan support.

Dukes, named Thursday to succeed Marty Marion, talked enthusiastically to the press at a luncheon here Thursday about the eighth-place club and said:

"I don't think we need very much help to make a real contender."

Some trading will be necessary for better pitching and strengthening a few batting spots, Dykes conceded, but he insisted "the Browns had a nucleus of a good club."

He ticked off the names of shortstop Billy Hunter, second baseman Bobby Young, first baseman Dick Kryhoski and outfielders Vic Wertz and Johnny Groth.

Eisenhower Republicans Organized

CHICAGO (AP) — A group of Republicans have organized to find and support candidates for Congress in the Illinois April 13 Republican primary who will support the Eisenhower Administration.

The Citizens for Eisenhower Primary Committee, a division of Citizens for Eisenhower and Nixon in Illinois, Thursday opened an office at 10 S. La Salle st., Chicago.

Thomas R. McMillen, Cook County chairman of the committee, said leaders of the movement are those who were active in the last presidential campaign's Eisenhower volunteers.

"We are organizing primarily for the senatorial races," McMillen said.

"We do not have any potential candidate in mind right now to oppose any incumbent Republican members of Congress. What we aim to do is elect more Eisenhower Republicans to Congress."

McMillen declined to comment on whether Senators McCarthy (R-Wis) and Jenner (R-Ind) or Rep. Velde (R-Ill) were considered by the committee to be "Eisenhower Republicans."

McMillen said the committee is being financed by voluntary contributions.

In a statement released to newsmen the committee said its policies include:

To work principally in the primary elections in order to secure the election of outstanding candidates who will ensure the success of the Republican Party in the general elections.

To urge that political appointments be based on merit and qualifications, rather than primarily as a reward for political activity."

McMillen said downstate Illinois Republicans will be invited to join the movement in the near future, but no downstate headquarters had been planned yet.

Roy Rogers Adopts Boy

LOS ANGELES (AP)—Movie cowboy Roy Rogers and his movie cowgirl wife, Dale Evans, Thursday adopted a 19-month-old part Choctaw Indian child, Mary Little Doe.

"Roy's part Choctaw," Miss Evans said, "so they let us have Dodie."

Dodie joins Cheryl, 13, the Rogers' other adopted girl; Linda Lou, 10, and Roy Jr., Rogers' two children by his first wife Arlene, who died seven years ago.

John David, 6, soon will be adopted into the family.

Father Appeals To Draft Board To Spare Son

RALEIGH, N. C. (AP)—J. N. Inman of Columbus county wrote North Carolina selective service headquarters:

". . . I want you to know that I lost two sons during World War II . . . I feel that I have done enough. I have two sons left and you are about to take one of them. If this boy is drafted, I feel I will lose my wife from grief and I don't know whether I can stand it or not. The boy about to be drafted is 21 years of age and is married and has one child.

"I will thank you to advise me what I can do. Will it do me any good to write or wire the President of the United States, and if I do so, do you believe it will be brought to his attention?"

Col. Hugh T. Upton of selective service explained that the law provides for deferment of an only surviving son where one or more of his brothers was killed in war or died later of injuries suffered in war.

200 Apply for President of U. of Illinois

CHICAGO (AP) — It may take two years to select out of possibly as many as 200 applicants the successor of Dr. George D. Stoddard as president of the University of Illinois.

That's the conclusion coming out of a meeting Thursday of four groups engaged in screening candidates for the position which paid Stoddard $23,500 a year, plus house automobile and other compensations.

During the nationwide search, said Herbert B. Megran, chairman of the university trustees committee, Lloyd Morey will continue as acting president. Megran said the trustees are "delighted" with Morey's work. The trustees fired Stoddard in July.

After a closed meeting of the trustees committee with groups representing the faculty, alumni and citizens, all engaged in the same work, Megran told newsmen all groups are compiling their own lists of candidates. He said he "wouldn't be surprised" if 200 names are submitted.

"When they get their candidates down to a reasonable number, we'll all get together again."

Cancer Expert Advises Against Breast Feeding

CHICAGO — (AP) — One of America's foremost cancer researchers proposed Thursday night that 100,000 American mothers abstain from nursing their newborn female babies for one year.

Dr. Charles B. Huggins of the University of Chicago predicted that action would result in a sharp decline in the breast cancer rate of the female off-spring.

He offered the suggestion at the annual meeting of the Illinois division of the American Cancer Society.

Huggins said there is ample evidence that tumors in cancer-susceptible strains of mice can be caused by a virus transmitted in the breast milk of a female mouse to her offspring.

He said there is no positive evidence that the same is true of humans but that it is his theory.

Discuss Water Rates During Town Meeting

MT. MORRIS—About 50 people attended a town meeting to study reasons for the recent raise in sewer and water rates here Tuesday night in the township hall.

These increases were necessary because of the insistance of the state sanitary water board that the village correct defects in the sewer system. The rates were increased to improve the system.

At the town meeting Attorney Paul Rees spoke on the legal aspects and a representative from the Willis Engineering company, Dixon, discussed the engineer's view of the project.

Many attending said they received a better understanding of the village problem and some suggestions were made that the village board may consider with regard to the water and sewage disposal in Mt. Morris.

The minimum water rate was increased last August from $3 to $3.80 for the first 3,000 cubic feet. These rates set in August were enacted as an ordinance by the village board.

Village Treasurer Leslie Watt reported water income is about $20,000 a year, and water system expenses are about $17,000. Sewer income is about $11,000, and sewer costs are about $10,000. Rehabilitation costs for the old sewage plant are about $20,000, while the cost of a new plant would be about $273,000.

Much of the increase in water rates, to amount to about $15,000 a year, will be put into a building fund for the new plant.

Seeking increased strength for greater service, the Brooklyn unit already has begun re-enrollment of present members and enrollment of new members for the coming year. A committee headed by Mrs. June Zinke, membership chairman, is extending invitations to come into the Auxiliary, to all eligible women in the city. Eligible for membership are wives, mothers, sisters and daughters of American Legion members, those of persons who died in service during the World Wars or the Korean Conflict, and those of deceased war veterans, as well as women who themselves served with the armed forces in any of the three wars.

"At this time when events are shaping toward a decision, everyone who considers himself or herself a patriotic American should be enrolled in some organization actively serving for America. The women of American Legion families can find a broad field for valuable service in the American Legion Auxiliary."

IT WAS A MISTAKE!

Yes, it was a mistake to take it in, in the first place, but it will be an even greater mistake to pass up a car like this with a price like this.

It's a 1949 Lincoln Cosmopolitan 4-dr. sedan with radio, heater, seat covers, good tires, turn signals, electrically operated windows and seat, and overdrive. This car is absolutely perfect, we know, we made it that way.

At first I asked $1200 and it was worth it, then $1100, and then $1,000. Now please! Take it at $895.00.

U.S. Officials Study Red Trade

Chrysler Exec Reveals Survey Now Under Way

DETROIT (AP)— The State and Commerce departments, according to a Chrysler Corp. executive, have been sounding out industrial sentiment on this country's opening trade with Communist China.

C. B. Thomas, president of Chrysler's export division, viewed Secretary of State John Foster Dulles' recent press statements also as signs that Red China might be opened to U.S. trade.

Thomas' comments came in answers to questions at a news conference in conjunction with Chrysler's showing of new model cars and other products Thursday.

On Downgrade

When asked how the export outlook appeared, he replied: "It is on the downgrade . . . There is one outlook at the present time. If it opens up, it will be a big market. That is Communist China."

"Will you sell to Communist China?" a reporter asked.

Thomas responded:

"We will sell automobiles to any point that the government will agree to our shipping. It is a government policy and not ours . . .

"If you have been reading the press in the last two days you'll notice the subject came up in Dulles' statements—partial recognition of Communist China.

Making Survey

"The Commerce department and State department have been making a survey of industry for a week in the past, getting sentiment as to the availability of supplies possibly on a restricted basis. That was the reason for the comment the market might open."

Dulles hinted in a news conference Monday if Red China changed its anti-Western policies, stopped support of aggression in Indochina and elsewhere there might be a possibility of recognition.

Boston's Mayor Closes Theaters Of Lewd Shows

BOSTON (AP)—Boston, a stronghold for burlesque for more than a half century, may never again be thrilled by the tease of the stripper.

The Board of Censors Thursday ordered the city's two burlesque theaters — the 108-year-old Old Howard and the larger Casino — closed for the rest of the year because their shows were too dirty.

Mayor John B. Hynes hinted very broadly that if burlesque is allowed to return, the stripper will have to do a fadeout.

The Old Howard and Casino theaters were ordered closed as a result of a municipal court conviction last week of three strip-teasers and the managers of both theaters on charges they presented and participated in immoral shows.

Secret movies made by two Boston police detectives from the theater balconies helped bring about the convictions.

The injunction to avoid putting new wine in old bottles results from the fact that the ancient skin bottles might be so weakened by use that gas from the new wine would burst them.

Baby Drinks Hot Milk, Succumbs

CARTERVILLE, Ill. —(AP)— An 18-day-old baby girl died Wednesday of mouth and throat burns suffered while drinking hot milk from a bottle given her by a sister.

The child, Virginia Barton, was the daughter of Mr. and Mrs. James Barton of Carterville.

Mrs. Barton told authorities she had prepared the bottle and set it aside to cool. One of the couple's three other young daughters handed the bottle to the baby without her knowledge, the mother said.

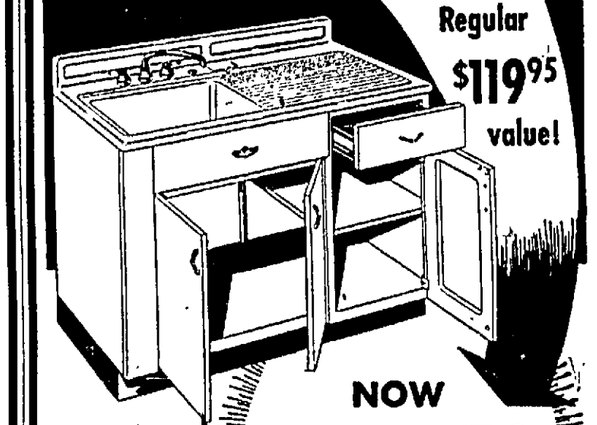

The baby was dead on arrival at Marion Memorial Hospital.

Army Spends Less, Getting More, Claim

CHICAGO (AP) — John Slezak, assistant secretary of the Army for material, said Thursday the Army is spending less money for more defense.

The defense official from Sycamore, Ill., spoke at a dinner meeting of the American Ordnance Assn. at which he received the organization's L. H. Campbell Gold Medal for outstanding service to ordnance.

Slezak said the "only way for us to beat Russia is to get more defense for less money."

We are doing this, he said, by not building our defenses with a specific invasion date in mind, as was the previous practice.

Instead, he said, we now estimate material requirements the same as before except that no definite invasion date is set.

"Instead of rushing mobilization by a certain date and then going out of business, we try to keep the maximum number of organizations in production, and since this reduces the time required to reach full production under the assumed war conditions, we maintain our defense readiness with a much smaller amount of materiel on hand."

Slezak cited the setting up of a Production Equipment Records Unit at Rock Island, Ill.

"There," he said, "in one central place, a complete inventory is kept of all ordnance machinery and tools and this may be extended to include all the production equipment controlled by the Army."

DAUGHTER BORN

SANTA MONICA, Calif. (AP)— A 7 pound 3 ounce daughter was born to actress Virginia Mayo Thursday night in St. John's hospital. She's the first child of Miss Mayo and her husband, actor Michael O'Shea.

Mine Workers Want Commission Head Removed

WASHINGTON (AP)— The United Mine Workers today told a presidential commission studying America's foreign economic policy that one of its first acts should be to get a new chairman.

Thomas Kennedy, UMW vice president, urged the removal of Clarence B. Randall, Inland Steel Corp. executive, as chairman of the commission.

"We feel," Kennedy said in a statement, "that his publicly expressed opinions and prejudices have placed him in a position of prejudging the evidence to be placed before the commission."

A note we received urges us to ask Orville Hoyle if anything unusual has happened lately, which we'll do when we see him. We hope the odd happening was a 300, and we mean game, not series, but we're more than a little afraid that it's probably a 300 series that we'll find... Wednesday night Darlene Morris and Imogene Calder bowled exactly alike, with both having 125, 128, 128...Two perfect 300s turned up on Lawtons Dairy, Vernita Sitter and Mary Jayne Beach each having the magic figure, but unfortunately in three games instead of one...We've been trying to get John Shaulis together some afternoon and shed a few tears over a cup of coffee. Wednesday night both our series and John's was exactly 411 and we wonder if he feels as badly about it as we do...Rags Erickson was 14 pins off three alike with 145, 127, 145...Bob Henson and Eldred Dresden each had 147, 147 but Bob jumped to 154 and Eldred to 183 in their finales...Dave Kelley spaced his games 13 pins with 145, 158, 171...Bill Wakeley was 10 pins off a trio with 176, 186, 176...Venier Jewelry each had a game in the 140s. Geegee Venier having 148, Bud Eastman 146, Joe Venier 144, 145, Hank Schumacher 144, and Lorenzo Venier 141...With Clyde Mc-Connaughay leading the way with 554, Shaw Printers set a new high series in the Commercial league. Besides Clyde's 584, Pat Burns had 480, Al Berner 478, Ray Burns 505 and Ab Halstenberg 517 with a 435 spot for 2997...Lew Wilhelm, with first and last games of 127 made quite a jump in his second set to 193... Don Scharpf was 18 pins off a trio with 139, 157, 139...Dougs Three Deuces paired up as far as they could go with Mike Milligan and Doug Curran each having a 444 total and Les Higgs and Waddy Wadsworth having 488 each, leaving it up to our city secretary Ray Nelson to either go up or down and Ray took the low road with a 406...Art Torti was gunning for both the high game and high series in the Men's league, his second game of 230 falling just three pins short of Jack Lichtenhelds 233 and his 593 total missing the high of 595, also held by Jack... Lyle Pritchard was 28 pins off three alike with 192, 124, 152...Gene McNamara topped off two pins a set with 162, 160, 158...Adamae Elliott got a new bowling ball last week and her hubby George wanting her to get started right took her down for a little practice Saturday night, and we met George later wearing a bewildered look as Adamae beat him the first two games and then, probably feeling sorry for him let him tie her the last one, and we hope the practice did George a little good, as he was the one that needed it.

Gets 45 Years For Torture Attack on Boy

FORT LAUDERDALE, Fla. —(AP)—Winston H. Morse entered the Florida State Penitentiary today to begin a 15-year sentence for the torture attack on 8-year-old Bruce Strandhagen.

The 34-year-old Salem, Mass., cook pleaded guilty Thursday to charges of lewd and lascivious assault and attempted murder, and Criminal Judge W. T. Kennedy gave him the maximum sentence allowed by the law.

Morse told police he was convicted three times in Massachusetts for attacks on small boys but that each time he was released on probation as "feeble-minded but harmless."

Morse lured the Strandhagen boy into his room the night of Nov. 2 and tortured him by sticking 17 four-inch needles into his body. Doctors removed one needle from Bruce's heart muscles and another from a lung.

The boy, son of Dr. and Mrs. Harry Strandhagen, also was choked, beaten and sexually attacked. He is recovering now, but for days was given only a 50-50 chance to survive.

About three-fourths of the shore of the Dead Sea is in Jordan territory, the remainder in Israel.

Sensational Charges Week Old But Issues Are Clouded

By JAMES MARLOW

WASHINGTON — (AP) — The case of Harry Dexter White, as sensationally laid before the public by Atty. Gen. Brownell, is now a week old but questions which go to the heart of it remain unanswered.

The questions spring out of the background:

In December 1945, while White was assistant secretary of the treasury, the FBI gave the White House a 30,000-word report about a number of government employes, including White, alleged to be part of a Soviet spy ring.

One month later, former President Truman nominated White to be U. S. representative on the International Monetary Fund. On Feb. 6 the Senate approved White's appointment.

Special Report

Two days before that the FBI had given the White House a special report on White alone. It has been learned the FBI didn't call him a spy, but recited charges by informants who did.

A similar report went to the State Department. South Carolina's Gov. James Byrnes, then secretary of state, says he saw the report, talked with Truman on Feb. 6, and asked Truman not to let the appointment of White go through. Byrnes says Truman told him he had seen the FBI report.

White held the job one year. Truman then accepted his resignation with "sincere regret" on April 9, 1947. Later a federal grand jury in New York questioned White but did not indict him. In August 1948, three days after he swore to a congressional committee that he was neither a spy nor a Communist, White died.

Fired White

Truman says he fired White when he found out White was "wrong." President Eisenhower's press secretary, James C. Hagerty, points to the Truman letter regretfully accepting White's resignation. Truman's explanation is that "people are sometimes fired by being allowed to resign."

In blasting open the White case, Brownell unqualifiedly called White a spy.

Here are some of the important unanswered questions:

How did Truman later learn White was "wrong"? What did he do, besides letting White resign? Did he try to prosecute White, or learn what damage White might have done?

Did anyone in the White House ever check with the FBI about White or any other members of the alleged spy ring in order to trap them?

What's Reply?

What is Truman's reply to Byrnes' statement that he did see at least the second FBI report on White?

Nor has Byrnes yet answered an obvious question: Since the first FBI report mentioned Alger Hiss as well as White, what did Byrnes do about checking on Hiss or getting rid of him? Byrnes says he was out of the country when that first report went to the State Department.

Hiss, who worked under Byrnes in the State Department, is in prison on conviction of having lied in denying he gave state secrets to a Communist courier.

No Evidence

Brownell has produced no evidence of his own to back up his charge. Does he have it? Tom C. Clark, attorney general in 1945-46 and now a Supreme Court justice, as boss over the FBI was in a position to know about the reports. What did he do?

What did Fred M. Vinson do about White? He was Chief Justice of the Supreme Court when he died this year but was secretary of the treasury, and White's boss, at the time of the FBI reports.

Burglars Raid Tire Shop 7th Time in 3 Years

PERU, Ill. (AP)— Lester Crane's getting so he sort of rues going to work in the morning because, as he says, some day he'll just find that the place isn't there.

Crane, who owns the Crane Tire Mart, made the speculation Thursday night after police reported a burglary attempt at the mart. It was the seventh time in three years that burglars have attacked his place. But this time, they fled without taking anything.

"I don't know what to do," Crane said. "It's a horrible feeling. I never know in the morning when I go to work whether the place will still be there."
